

International SAP Conference on **Internal Controls, Compliance, and Risk Management** Next Generation GRC

March 12–13, 2019
Barcelona, Spain

TAC
Events

Powered by T.A. Cook

THE BEST RUN

Welcome

Join the internal controls, compliance and risk management community – customers, partners, SAP executives and solution experts – all under one roof in Barcelona this March. You will have the opportunity to attend innovative customer case studies, executive keynote and roadmap presentations from SAP, deep-dive workshops, live demos, interactive microforums, extensive networking opportunities and more.

Don't miss this unique opportunity to discover how next generation GRC solutions from SAP can transform your enterprise.

We look forward to meeting you there.

Michael Heckner
Senior Director, Center of Excellence for GRC
SAP EMEA North

Patricia Clemas Sánchez
Partner and SVP. Events
TIAIC Events

Welcome from our Platinum Sponsor

EY

**Building a better
working world**

At EY, we take a comprehensive, business-first view in order to address strategy, processes, technology, and operational impacts in parallel. Our “growth plus quality plus innovation” strategy means predictable delivery for our clients. The results speak for themselves: high customer satisfaction and retention, zero escalations, and a growth rate with respect to SAP® software that far exceeds the industry average.

Learn how to navigate the transformative age with the better-connected consultants using SAP technology. For more information, visit our website: www.ey.com/sap or connect via twitter: [@EY_Alliances](https://twitter.com/EY_Alliances)

Pre-conference Workshops

Tuesday, March 12, 2019

At these workshops you will review product functionality, dive deeper into topics, consider practical examples, take part in discussions, go through online demonstrations, and determine the business benefits of each solution. Each workshop offers you a unique opportunity to address challenges, discuss them with your peers, and gain valuable guidance from some of the most knowledgeable experts on SAP® applications.

Please note that you cannot switch between parallel workshops. For more information, please visit www.tacevents.com/sapccr.

The following workshops take place between 09:00 and 12:30.

Workshop 1: Get More from Existing SAP® GRC Solutions and Outlook on Next-Generation GRC

Attend this workshop to gain an understanding of the value you can get from SAP® governance, risk, and compliance (GRC) solutions. Explore how you can embed the latest technology trends – robotic process automation (RPA), blockchain, chatbox, artificial intelligence, and much more – in your risk management and compliance processes. Learn how your business can become an Intelligent Enterprise.

GlaxoSmithKline plc (GSK) begins the session by presenting its vision of GRC and why it is considering SAP GRC solutions to support different risk management activities. The session includes a demonstration on how GSK is using RPA to reduce human intervention in its GRC processes.

The session will be followed by demonstrations of how SAP software:

- Supports internal controls as well as compliance, enterprise risk management, internal audits, and fraud detection and prevention in an integrated and efficient manner
- Leverages GRC for robotic process automation
- Uses blockchain technology to trace and monitor risks
- Interacts with digital assistants to support business user's tasks
- Protects your data and meets data protection regulations

Axel Egger and Victor Artola Ron, SAP
Ralph Aboujaoude Diaz, GlaxoSmithKline plc

Workshop 2: Digitize Your Financial Controls and Business Assurance

Are you currently in the process of reimagining your finance processes and performance management? Join this workshop to understand how you can embed GRC solutions directly into your finance platform to ensure business strategy success.

In this workshop, we show how GRC solutions, when integrated into your finance processes, facilitate:

- Focus on risk exposure
- Compliance with regulatory requirements
- Improved performance and efficiency
- Business assurance

Adopt next-generation practices to detect and prevent irregular, illegal, noncompliant activities despite ever-increasing volumes and speed, covering both financial and nonfinancial aspects.

This workshop presents several use cases of GRC solutions embedded in various finance processes, such as treasury and financial close, and shows how protection of your data can become an asset on the balance sheet.

Thomas Frenehard, Michael Heckner, and Neil Patrick, SAP

Agenda

Tuesday, 12 March, 2019

12:30	Networking Lunch and Browse the Exhibition
13:30	Chairperson's Welcome and Opening Remarks Chris Johnston, SAP

Event Fees

Type	Early Bird	Standard
Conference Only	€ 1150	€ 1350
Half Day Workshop	€ 425	€ 425

* All fees are subject to 21% VAT

** Early Bird Fee is valid until 25th January, 2019

NOTE: Payment should also be received by the deadline for the early bird discount to apply.

Terms and Conditions

Registration Cancellation and Substitutions Cancellations must be made in writing at least two weeks before the beginning of the event. In this case we will charge a processing fee of £175.00, €200.00 or \$250.00 dependent on the currency of the event that you have registered for. Cancellations received less than two weeks before the event will be liable for the full registration fee. This also applies to registrants who do not attend the event. If a participant cannot attend for whatever reason, it is of course possible to nominate a substitution. Substitutions must be received in writing, must be addressed to the registration office and must include the names of both the original and the substitute registrants. We reserve the right to cancel your registration or refuse access to the event.

Payment Participation in an event is only possible if payment has already been received, or if it is submitted at the event via credit card payment or bankers draft/cheque. Please note that non-attendance for any reason is subject to the cancellation terms laid out above.

Liability You agree to indemnify and hold T.A. Cook Consultants and its business lines harmless against any and all loss, liability, damage, costs, expense, claims, proceedings and actions arising out of any negligent act or omission of client or their representatives; including any breach of these terms and conditions. The attendee is responsible for arranging appropriate insurance cover in connection with their attendance at this event, including prevention, postponement or abandonment. T.A. Cook and its business lines cannot be held liable for any loss, liability or damage to personal property. T.A. Cook and its business lines are not liable for damages due to technical malfunctions that may occur. We bear no responsibility if it is necessary to exchange, cancel, modify or postpone an event due to an unforeseen event or act of God, including, but not limited to, armed conflict, civil unrest, terrorist threats, natural disasters, severe weather, significant influence on transport.

Organisers' Changes We reserve the right to make changes to the event programme or to cancel the event in the case of insufficient delegate numbers. In this case, the delegate attendance fee will be refunded in full, though we are not liable for any further costs incurred by delegates in connection with their attendance. We do our best to ensure all presentations are available for electronic download, but in some cases, cannot guarantee that speakers will make their presentations available for sharing post-conference.

Data Policy By registering for this event, you grant us permission to use your data to fulfil our contractual obligation towards you. If this is the first time you are registering for an event with us your details will be held on our internal database for this purpose only, and will not be included in future marketing unless your consent is provided. If you have an existing relationship with us, you can access your profile information at any time to update your marketing preferences or to unsubscribe. We will share your details as part of our participant lists to delegates and speakers before or onsite at the event. If you object to this data sharing, please notify us by email data@tacook.com. Your data may also be shared with third parties to fulfil our contractual obligations to you. We will only supply your information to event partners and sponsors if your explicit consent is given. For further information, please visit www.tacevents.com/uk/privacy-cookie-policy/

Governing Law/Place of Jurisdiction/Place of Performance

(1) The law of the Federal Republic of Germany is solely applicable. Application of the UN Convention on Contracts is expressly excluded

(2) The place of jurisdiction is Berlin

(3) The place of performance is announced event location

Video and Photography We plan to take photographs and video material at the event and reproduce them in educational, news or promotional material, whether in print, electronic or other media, including event websites. All photos and videos become the property of T.A. Cook. These may be displayed, distributed or used by T.A. Cook for any purpose. You have every right to opt-out of having your photograph taken. Please contact us at info@tacook.com for more information.
