THE BEST RUN **SAP**

Welcome

SAP Internal Controls, Compliance and Risk Management Live 2020 is an immersive – and free to attend – two day digital event designed to help you improve the effectiveness and reliability of your GRC processes

Designed for the full ecosystem, this event will give you access to exclusive content from SAP customers, including BT, Delivery Hero, Flint Group, LafargeHolcim, and Oyak. Live customer sessions will be complemented by further expert insight from SAP and SAP partners. Don't miss this unique opportunity to discover how you can leverage the power of connected GRC solutions from SAP across your organisation.

In times of change, we can't wait to bring you this reimagined online experience. Attendees will have the opportunity to watch live presentations, catch up with content on-demand, network and connect with other participants, organise one-to-one video meetings, take part in interactive group discussions and explore our virtual exhibition. It's all free of charge and available from the comfort of your home or office!

… and there's more! As part of the **SAP Finance and Risk Live Series**, you will have access to an entire month of networking possibilities and digital content spanning multiple solution areas. Why not read on to learn more?

We look forward to welcoming you virtually this October.

Kind regards,

Michael Heckner
Senior Director, Center of Excellence for GRC

We are delighted to announce that we will be using Pathable's virtual event platform to host this event. This will provide our attendees with immersive content and learning, seamless networking and interactivity.

Key features will include:

- Live presentations featuring polling and presenter Q&A
- Interactive group coffee discussions with visual and audio capabilities for attendees
- On-demand content library accessible at a time that works for you
- A virtual show floor showcasing the latest partner innovation
- 1:1 chat functionality with all attendees
- The opportunity to schedule one-to-one and group video calls
- Build your own personalised agenda

SAP Finance and Risk Live 2020
One Month. Six Topic Streams. Live and On-Demand Content

SAP's Finance and Risk Live series brings together an unprecedented pool of content for unprecedented times. Over the course of October 2020, finance and risk professionals will have the opportunity to participate in a series of six virtual events covering:

- SAP Intelligent Automation For Finance Live – 1 October
- SAP Treasury and Working Capital Management Live – 6-8 October
- SAP Central Finance Live – 13-15 October
- SAP Billing and Revenue Innovation Management Live – 20-21 October
- SAP Internal Controls, Compliance and Risk Management Live – 26-27 October
- SAP Application and Information Security Live – 28-29 October

Please note, your registration for one event means you can access the entire month of content!

Free to attend, participants will be invited to explore a wealth of live and on-demand content delivered by SAP executives, solution experts, business customers and partners.
